BATU AMPAR CONTAINER TERMINAL
An ICTSI Group Company

Batam, 13 Desember 2025

Nomor: 016/BACT/COM/XII/2025
Perihal: **OOG Cargo Handling Requirements at BACT**

Kepada Yth.
Port User

Dengan hormat,

Berikut kami sampaikan ketentuan penanganan kargo Out of Gauge (OOG) di Batu Ampar Container Terminal (BACT). Seluruh kargo OOG wajib memperoleh persetujuan dari BACT sebelum kedatangan di terminal dan sebelum dilakukan kegiatan bongkar/muat, sesuai dengan prosedur yang berlaku.

We hereby inform you of the provisions for handling Out of Gauge (OOG) cargo at Batu Ampar Container Terminal (BACT). All OOG cargo must obtain prior approval from BACT before arrival at the terminal and before any loading or discharging activities are carried out, in accordance with the applicable procedures.

Permohonan persetujuan diajukan oleh Shipping Line melalui email kepada BACT dengan melampirkan data kargo berupa dimensi dan berat kargo/kontainer, foto kargo (termasuk lifting point apabila tersedia), serta informasi lashing dan kebutuhan peralatan khusus.

The approval request shall be submitted by the Shipping Line via email to BACT, accompanied by cargo details including cargo and container dimensions and weight, cargo photographs (including lifting points if available), as well as lashing details and any special equipment requirements.

Penanganan kargo OOG di BACT mengacu pada batasan berikut:

- *Safe Working Load* (SWL) maksimum: 40 ton
- *Over-height* maksimum: 1,8 meters
- *Over-width* maksimum: 0,5 meter di masing-masing sisi
- *Over-length* maksimum: 1,45 meter di bagian depan dan belakang kontainer

BACT akan menangani kargo OOG yang memenuhi batasan tersebut sesuai dengan persetujuan yang diberikan dan berhak menolak kargo OOG yang tidak memenuhi persyaratan teknis maupun keselamatan operasional.

OOG cargo handling at BACT is subject to the following limitations:

- *Maximum Safe Working Load (SWL): 40 tons*
- *Maximum over-height: 1.8 meters*
- *Maximum over-width: 0.5 meters on each side*
- *Maximum over-length: 1.45 meters at the front and rear of the container*

BACT will handle OOG cargo that complies with the above limitations in accordance with the approval granted and reserves the right to reject any OOG cargo that does not meet the required technical or operational safety standards.

Atas perhatian dan kerja sama yang baik, kami ucapkan terima kasih.

We appreciate your attention and cooperation.

Hormat kami,
Sincerely yours

Batu Ampar Container Terminal
